
Grandtec Grand Ip Camera Pro Driver

Grand IP Camera Pro - Grandtec Electronic Corp. Surveillance Software (Model 2): WalkGuard 7.0. - Supports preview from 4/9/16 cameras and DivX recording. This application does not support DVR and NVR functions. (DVR and NVR are systems that save video to hard disk and record video in DVD or JPEG format) This application is designed to view camera images over the Internet, as well as to monitor the places where you live or work. (The cameras are not part of the surveillance equipment.) This is an application for viewing camera images that can be viewed online with "Grandiot Camera Pro".
