Europe's first online money bank for group donations and personal fundraising. Raise money online - it's easy, safe and transparent! It's not a bank - it's an online resource, Where you can bank your money, Or you can just collect money For charity in the form of a donation. When you donate money, it can't be stolen, You collect your funds from the bank, And you get access to your bank, And you don't have money in the bank. All the money in the bank is collected in one piggy bank, And not one penny is lost, You only collect funds, not withdraw them. You have to go to the bank to withdraw money, To put it in your bank account,
