

Multilizer automatically translates PDF documents into more than 25 languages. The translated file has the same layout and images as the original ... - No matter how complex your PDF file is, it will be translated in seconds. - Automatic generation of pages with information about the author, date, place and other data to be added to the translated documents. - Translate PDFs at a speed you couldn't have expected! Multilizer can also convert images to PDF files that can be opened on any PC. Features:
