Thank you! THE ELDEN RING ONLINE GAME TEAM FAQ's ★ How can I support the development of a game? If you want to give us a hand, you can donate to the Patreon. A list of supporters can be found here: If you want to donate other things, feel free to contact us through our website. ★ Can you tell me when the game will be released? We are currently about 1 year after the publishing of the game (2017/10/31). We are making more progress in the game than we could've imagined, but it's impossible to predict everything. ★ What platforms are you targeting for release? The game has been tested on the PS4 and Steam, and we hope we'll be able to get support for other platforms in the future. ★ How long is the game going to be? We are aiming for around 2 years of work, but it'll be difficult to tell for sure until that time. ★ Is the game platform-independent? Yes. No matter the platform you use, you can play the game. ★ What languages are there in the game? There are 19 languages available: English, Japanese, Korean, Simplified and Traditional Chinese, German, French, Italian, Spanish, Russian, Polish, Brazilian Portuguese, Turkish, Czech, Portuguese, Slovakian, Vietnamese, Indonesian, Thai, and Filipino. ★ How do you plan to make the game more appealing to a wider audience? We have thought about a lot of ways, including the addition of voice acting, but there is one that we would want to utilize. We are counting on your help in

Elden Ring For PC

9/10 Gamezone 10/10 derrick mann dans "This is a BattleTower built on Dreamcast and perfectly playable on the Xbox 360. It's exactly what a fantasy action RPG should look and feel like. You'll get into a world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. ... This is a beautiful world, with well-designed dungeons, colorful characters and a stylized combat system that is satisfying and challenging. Though it is a bit dated, this is the type of game that is perfectly at home on the DS. " 8/10 IGN 7/10 bestand.com.nz As a long-time Final Fantasy fan, the Direct-to-consumer launch of Final Fantasy XIV's story expansion, Heavensward, was always going to be an exciting moment for me. ... Final Fantasy XIV: Heavensward is an action-RPG. It hits all the high points - a large-scale, high-flying action experience with interesting characters and scenarios. It's a massive sandbox experience, with sandbox meets fantasy meets a kingdom-building strategy. And it's a massive game, with a huge amount of content. It's a whole new world and a whole new story.... Final Fantasy XIV: Heavensward has been in development for a while and it shows in this long, complex and very well written narrative. It's almost Shakespearean in its length and breadth, and chronicles a number of major events in the history of Eorzea, from the First to the Third Heavensward. If you're looking for a grand adventure set in this alternate-Fantasy world, then Heavensward will not disappoint. Tourism Ireland estimated that in 2014, GDP generated by the tourism industry totalled €17.8 billion. This is an increase of 2.8% in real terms (constant 2014 prices) on 2013, the last full year of the Celtic Tiger period. The region grew at the fastest rate among all global travel and tourism markets last year, and Ireland is ranked first in terms of growth. An annual report released today by the Central Statistics Office (CSO) has revealed a substantial year-on-year growth in visitor numbers from other EU countries (13.8%). There were 2.7 million visitors from within the EU in 2015, compared to 2.6 million in 2014. The New Year in 2015 saw 14.2 million UK visitors, representing increases of 11.2% in terms of actual visitor numbers (14.7 million) and 3.9% in terms of foreign visitor spend (from £9.6 billion to £9.9 billion). France was the second largest visitor destination with growth of 9.3% (from 8.6 million visitors to 9.3 million), and Germany 9.4% (from 7.1 million to 7.9 million). This is the sixth consecutive year that the UK has led the way in Europe for visitor numbers, with a year-on-year growth of 11.2%. Ireland has fared particularly well in attracting foreign visitors during 2015, with its visitor numbers increasing by almost 7.5%. Tourism Ireland chief executive Niall Gibbons said: "Tourism is a major driver of economic activity in Ireland, accounting for 1.3 million direct and indirect jobs, making a contribution of €15.2 billion to the Irish economy. The growth in visitor numbers in 2015 represents a remarkable period of sustained growth and is consistent with the strong performance seen to date in 2015."

What's new:

The Japanese version of the upcoming fantasy MMORPG Tarnished. * As you understand there have been changes made to this game, please read on. The Elder Scrolls Online received a huge update in our... The Elder Scrolls Online is available on the Xbox One as TESO: Skyrim Edition. The Elder Scrolls Online The Elder Scrolls Online is the next of the great fantasy series by Bethesda. The PC game has received some recent updates and expansions, so the Xbox version contains the same, but with some enhancements. In this review, I will be talking about the game for Xbox One only, because the Xbox has some components that the PC version doesn't. The Gearbox Team is hard at work in the "Never Die Alone" Behind-The-Scenes Video they shared on the official ESO Facebook page. Watch as Charles Boyd speaks with the team and answers questions about some of the changes they've made in game to support their new content and Steam integration. Screenshots from the Gearbox Never Die Alone video and art analysis of it produced by VGSherlock. THE MINOR SPOILERS START HERE A large variety of rewards are unlocked in the various zones. Many of the Legendaries are only obtainable by completing side zones that are not required and do not lead to any quests. These may increase your chances in the end game, but you have to pay for them (each Legend in the zone typically costs 100 Gold). The cheapest Legendaries are found in the Orsinium zone. Purchase them during the daily quests by the NPC that's in the room behind the Bar in Orsinium, but after doing that they shouldn't go down in price. It's a little bit of a con to pull that off. The "Op" Legendaries can be purchased in game currency once you've unlocked the abilities. These can be used to purchase construction parts for the player's castle, for example. The End of the World content is now equal access You can travel around the lands during the FREE ENTERPRISE gameplay time. The Trading Post also allows you to list items for sale. Caravan Alliances are also allowed for subscriptions. Caravan alliances are special alliances which allow you to invite partners to the caravan. Such alliances must be used in conjunction with the Dispersal System. Dispersal is new system introduced in the current version which allows you to push out groups of monsters and quests to other
