EA SPORTS FIFA puts soccer in your hands like no other game. Compete with your friends in Player Connected Seasons, where the winner is the last remaining Champion. Or compete for individual glory by taking on opponents in King of the Match, where only one player on your side will make it to the final. Play with your favorite players in Franchise Mode, where you'll start from the bottom and work your way to the top to own and manage a soccer franchise. Whether you're a soccer aficionado who wants to step on the pitch and play like your heroes, or a soccer purist who just wants to appreciate the sport at its highest level of simulation, FIFA has something for you. FIFA 2K16 Review: Best

Soccer Game If you've tried to score goals in FIFA 14, you know that it's not easy. The new "Powered by Football™" engine makes it easier than ever to dribble, pass, and shoot, all at absurdly accurate levels of detail. Even defenders keep their shape. Everything feels better, from deking the opposing keeper to outwitting him in the air. The new "arcading" motion controls let you pull off that outrageous backheel, but it's not like the car-crash motions of the past. You can even trigger them by tapping the right stick. Now that's sweet. As if all this new gameplay wasn't enough, FIFA 2K16 adds a bunch of new features. When you call for a restart, your team's fans blow trumpets instead of hooting. You can chat with them directly during timeouts and before the game starts. You can use post-match interviews and reminders to practice on your team's star players. And you can finally crowd into the stadium using crowds that look and feel like crowds, complete with goal horn. FIFA 2K16 probably doesn't have your face on the cover, but it certainly has your heart. You can try new star players like Neymar or Robert Lewandowski

while you're at it. Everything you need to compete is there. FIFA 2K16 is the best soccer game since FIFA 2K. FIFA 2K16 Review: Best Soccer Game FIFA 2K15 was a decent game. Better than decent, even. It was best Fifa mode game for the people who played
