Download GTA San Andreas Game Free Full Version for PC. GTA San Andreas is the seventh installment in the Grand Theft Auto series, one of the most successful video game series of all time. Grand Theft Auto San Andreas was released on August 31, 2004 as a stand-alone sequel to Grand Theft Auto III and Grand Theft Auto IV. It received generally positive reviews, while the expansion pack, Grand Theft Auto: Vice City Stories, received mixed reviews. The game is set in the fictional San Andreas. It was developed by Rockstar North, and was published by Rockstar Games. The gameplay in San Andreas is similar to Grand Theft Auto III and Grand Theft Auto IV, and continues the series tradition of open world gameplay and huge, detailed environments. The game takes place in the fictional state of San Andreas, California, and follows protagonist Franklin a few months after the events in Grand Theft Auto IV.
