Q: ASP.NET MVC4 - Allow multiply votes per user What I'm trying to do is to allow multiple choices per user. I.e. User has 100 points and 10 questions in his space. The user can mark 15 questions in the questions list. I don't want anyone else marks any of the 15 questions that user marked. I'm using this:

```
public class Vote { [Key] [DatabaseGenerated(DatabaseGeneratedOption.Identity)] public int ID { get; set; } public string Title { get; set; } public int VoteTypeID { get; set; } public int QuestionID { get; set; } public int UserID { get; set; } public bool? IsDefault { get; set; } } public class Question { [Key] [DatabaseGenerated(DatabaseGeneratedOption.Identity)] public int ID { get; set; } public int VoteID { get; set; } public string Title { get; set; } public bool IsVoted { get; set; } } public class VoteType { public int ID { get; set; } public string Title {

that the company is selectively enforcing them, especially when a sudden flurry of activity is accompanied by a swift withdrawal of the rights to use the trademarks. It is too soon to tell whether any existing dealership agreements are being materially altered to permit them to circumvent Texas laws on late delivery or loss of goods. But the Vance equation shows that the net result will not be to promote Toyota or increase sales, but to alienate current customers.

Moreover, the legal system is a particularly punitive one, and no matter how nicely a defendant has been treated it is unlikely that it will offer the plaintiff any form of relief, either monetary or
