Free download full version of Prisonsimulator game and enjoy.. Prison House Escape – Home of Prison Simulator PC Game Impregnability, a unique game for iphone and ipad! How to play! Prison Simulator – the new game of the legendary Escape genre! As a prisoner you are going to a monster prison – a workhouse where death is waiting for you, but you have never died yet, have you? In PrisonSimulator the goal is to escape. The only way to do it is to move in the cell block, to change your cell and find the opening. Your prison is in the middle of the ocean, and you know, but it doesn't really matter, if you die somewhere else. The only thing that matters is: "to escape or not to escape?" You need to survive till the end of your escape. Remember, only one can survive in PrisonSimulator. Features: – great feeling of freedom and the sense of action – 3 unique levels of the game – 6 unique types of your cells – various types of equipment – special doors – useful tips and tricks – various weapons – different types of enemy – 5 different ways to dying – you can choose, to do something else, then your game will be all different – very simple and easy to control The app is in development stage and we add new features to the game regularly. It is possible, that some functions in the game are not perfect. PrisonSimulator is just a demo, that we released because we want to know from you, what we can do, to make a game of such genre perfect. If it will be your kind of game, let us know to you, so we can focus on it and your opinion may help us to make PrisonSimulator better game. We are always looking for new developer to join us, because we are running out of ideas, and we need professional help. We believe in fair gameplay and we are working hard to achieve this. We hope to make PrisonSimulator the perfect prison simulator! I can say is that this game is phenomenal! The main problem is, they need to add more weapons in the main menu. Because there are only about 20 weapons to choose from, it's not that great. Prison Architect is a city building simulation game where you get to play the role of warden in a maximum security prison. If you are looking to play a prison management simulator, then you can't go wrong with Prison Architect's demo version. The demo comes with a couple of challenges that will help you understand the core of Prison Architect. Prison simulator - Free Download. Download. Free. A Man in Prison Simulator is a 5 minute, single player, prison management game. You are a warden in a maximum security prison, trying to make sure the inmates behave themselves, and that they obey all of your rules. But, at the same time, you need to keep an eye out for the inmates so that they don't breach the rules and you need to establish trust with the inmates in order to keep them in line. Download Prison Simulation and check out the features! This is my prison simulator review and I have to say, that this game is pretty good! But I played the demo first so that I wouldn't be disappointed with the game. It's a sandbox prison simulator where you take on the role of a prison warden.
