A cracking, fast-paced roguelike game based on the mythic tales of ghosts, goblins and ghouls. Can you help shape the destiny of the Ghostkin race by working for the dead? Features: Classic 8bit graphics and a distinctive chiptune soundtrack. Epic single-player or cooperative, designed to be played in-browser or offline. Easy-to-learn, tight controls and life-or-death decisions. 10 to 12 hours of game play for single-player. Minimal cluttering. Few menus, lots of buttons. Three difficulty settings to suit your style. A solid tutorial mode. Instructions Tablet Mode For those on tablets, you can also play this game using a USB keyboard. Keyboard Mode To operate the game from a keyboard, you'll need to set your mouse to keyboard mode, using the 'mouse buttons' on your keyboard, and press the 'win' key to load. You can also control movement by holding down the 'up' or 'down' key. Each level will have a key assigned to it. This key is used to teleport to a new level, so you can press it at any point to teleport to the new level.
