**What's New in the?**

Wallpaper Studio 10 is a

---

lightweight wallpaper and image changer that lets you import your own images to your PC and then apply them as desktop wallpapers. It provides you with a great collection of background images that you can change anytime you want. More so, it provides you with the ability to get your Microsoft Band ready by using the application in conjunction with the Microsoft Band Manager. In addition, you can also use the software in conjunction with your Google and Facebook account to share your wallpapers with

---

other people. The application is designed in a way that lets you easily browse your images, even if you work with a simple PC. However, some of its functionality issues were noticed during our testing. AeroFX Curves - Best Aero Curves App for Windows AeroFX Curves is one of the best Aero effects for Windows. It brings many complex interface effects to the Windows desktop. Effect & Interface X7.4.6.0, is the latest version of this popular Aero desktop effects package that is being actively updated with new

---

features and tweaks. If you ever wanted to have a triangular Windows, you can easily do it. Also, if you ever wanted to change the Windows folders to a checkered or striped background, you can do this too. All these things, and much more, can be found in this Aero effects pack. The software is incredibly easy to use. Besides changing the background image or creating customized desktop icons, the main interface allows you to create a whole palette of fancy triangles, cross, diamond, chromatic-

---

shadowed and many more. You can place any of them inside windows, on the desktop, on the taskbar and on the system tray. To access the main features of the software, you just need to click on the green Help button. Here, you can browse the free trial, various settings, examples or documentation. The software has a price tag of \$89.95 but you can choose between a 30-day or 90-day key trial. The price gets reduced if you decide to buy more than one license. If you want to give a try, just download the

---

software from Softonic to your PC for free. Windows 7 Resource Kit - All About Windows 7 How can you make Windows look better? In this Windows 7 Resource Kit, you'll get a great deal of tips and tricks for using and customizing Windows 7, along with information for advanced users of Windows Vista. The PDF files provide you with over 40 articles and tips by
