Elden Ring Game is a new fantasy action role playing game developed by RPG Company INC and released on Android. Elden Ring Game is the first game in the series, which is one of the best fantasy games and developed by the best development company. The story of Elden Ring Game is based on the mythical Elden Stone, which has been found in the Elden lands. Based on this, the Elden Ring, also called the Elden Ring Army, is sent from the land of the Elden Stone to the Worlds Between. This is the story of how the power of the Elden Ring evolves, and the story of the Lands Between itself. The main elements of the game are as follows: * Unique fantasy kingdom type RPG Players can create a character according to their own preference in both the game and the character development. They can level up and learn powerful skills and equipment to participate in battles. * Dynamic fighting action RPG Players take on the roles of the Elden Ring Army and fight against powerful monsters, and they can make use of their sword, spear, or gun to defeat them. They can use weapons, magic, or tactics to win the battle. * Original ideas of action RPGs and a variety of elements of RPGs Players can use a special command to freely move within a fixed area. They can progress through the game with maximum efficiency and develop each character well. * Unique map design on the go In addition to the adventure within the game, players can freely navigate freely within an open world. Explore the vast open fields of the Lands Between and explore the worlds between it, such as the Ruins of Time. * Multiplayer battle action RPG Players can summon opponents to a multiplayer battle using the shared Note with other players.They can challenge other players for supremacy. * More than 50 types of equipment Players can increase the efficiency of weapons, armor, and magic equipment that they use by taking on new equipment quests. * Transcendental quest action RPG Players can transcend the gap between the worlds between and plunge into a vast fantasy world. They can transcend this space while searching for secrets, treasures, and new equipment. * A variety of quests Quests are divided into two categories: "Transcendental Quests" and "Fantasy Quests". Transcendental quests are quests that you transcend the gaps between the worlds of time and space, and they are related to the conflict of the Lands Between. Fantasy quests are quests that are

"An epic masterpiece that enriches the entire RPG genre with its high quality." - dema-awa "Seriously, this game is amazing. It could have been fluff, but it's got solid gameplay along with very good visuals." - sock_shop_jp "Fantastic, just fantastic. If you love the series and haven't played it before, this is a must-buy." - planeteljeblo "The best "JRPG" so far this year." - site_jp "Elden Ring has the best online community out there. I say that because they are more than just another fan site, but they are a true community that cares about the games, and they share the same passion." - ent0rge "If you've not played Elden Ring yet, you must. It's one of my favorite games of all time." - c918 "I am currently a 75-80 hour playthrough. This is no rush job, this is an honest effort to become a true Lord of Elden and I've become immersed in the people, places, and events of the Land Between. " - Empire: Rebellion and a superior quality of life. Every time we sell to an American or a Canadian, we do it with pride. We're not trading on that pride, but we do feel it in this situation. Boomer: When you meet and meet with these groups, do you take a lot of the same questions? Mockler: We have our own set of questions, and we try to cover them all. We meet with the customer. We have the person who is going to create the end product, and we meet with the end product, and we go through each of them. Boomer: Talk to me about the people you meet and get to know as you're creating this wind power business. Mockler: We feel if we can help this particular group of American companies succeed in selling high-quality wind products to the Canadian market, they will be exporting those products to the American market.
