(Photo by Surya Wahyuni) Sources have revealed that Indonesia's top conservation official has been arrested and questioned on suspicion of corruption. The Ministry of Environment and Forestry's chief conservation officer, Andreas Maier, was arrested by the Corruption Eradication Commission (KPK) on Wednesday. He is also facing a charge of using his position to gain an advantage, said a source familiar with the case, who declined to be named. Sources said that the KPK had found that Andreas, who is based in Badung province, was involved in the transfer of 552 endangered species and unique plants. The plants, which have been identified by the Javanese community, are found in the sacred forests around Suwungi, a district in the province. Andreas has been barred from leaving the country. The sources said the investigation was still ongoing, but they do not know what will happen to him. He has a "very low" chance of being charged. Andreas is one of five officials who have been investigated for alleged corruption in the administration of president Susilo Bambang Yudhoyono and his predecessor Megawati Sukarnoputri. The others were arrested in 2015, in what was seen as an attempt to end the culture of impunity in Indonesia's beleaguered anti-corruption agency. The investigation into the officials is still ongoing. Critics say that the

Features Key:

Earthen Skills: Tarnished can assemble a wide variety of tomes. With these assembled tomes, Tarnished can learn and master new skills.

Fantasy World: A huge world with a variety of hazards.

Dynamism of the World: As Tarnished progresses, the difficulty of content such as monsters, bosses, and events becomes increasingly high. You can reduce the difficulty by earning experience and resources.

Benevolent System: The relationship between you and the factions and guilds you ally yourself with will be important. Each faction has its own demands for you to respond to, and no faction will fail to support you.

Large-Scale Co-op Battles: Your guild and other characters play cooperatively together in large-scale

battles, which are a significant factor in the pursuit of adventure.

Additional Features

- **High-Quality Graphics:** High-quality graphics with a strong sense of atmosphere.
- **Vast World:** A vast world that you can freely change the settings, maps, and monsters to be able to play in a variety of environments. It is also large enough to explore even if you are new to the game.
- **Variations:** For each of the tomes Tarnished has, they have several types of variation. That is, you can select the greatest danger and excitement in a variety of ways.
- **Upgrades:** As Tarnished progresses, you will be able to upgrade the components of your own equipment, and the income from these upgrades will increase. The best equipment in the game will be exchanged for items that are resistant to tomes.
- **Weapons and Armor:** You can freely customize your equipment, as well as learn and master new weapons, armor, and magic.
- **Elixir/Phoenix Tree:** Gather and trade a variety of tokens and items with other players. Gather powerful elixirs that can be obtained from the Phoenix Tree.
