===== mtgx How surprising is this? "Power Elite"? What do  
they mean by that exactly? Also, is this what we get from a  
nation that's a party to antitrust? Does the reason why we  
have several almost-monopolies in the first place is because  
the antitrust laws and the people in charge of it, be it a Senate  
committee, a CEO, or an executive that makes decisions for  
several companies also running campaigns, "don't want" a  
healthy competitive market? , the majority of the respondents  
could not describe how the lesions were present in their lives  
during the study. The authors have done very well in capturing  
the perspective of the people who were in the study and took  
care to include patient narratives. However, the information  
provided in this section of the article is limited to clinicians  
who attend to patients with hypopituitarism. The findings do  
not speak for physicians who treat patients with pituitary  
incidentalomas or other patients with hypopituitarism. Future  
research should address the long-term effects of  
hypopituitarism on the lives of those affected, the extent to  
which knowledge-based education of clinicians improves  
survival and quality of life, and the economic benefits
