OLDEST CONTENT: The previous version of New Fantasy RPG was released in 2014. REGION FREE: It can be played without limitations in any regions. INDUSTRIAL IMPACT: It is possible to enjoy the game without having to install any additional plugins. *Please make sure you are above 18 years old to play this game. MORE INFORMATION: NEW FANTASY ACTION RPG is a game that is developed by Sekai Project and is available on various platforms including Microsoft Windows, PlayStation 4, Nintendo Switch, and PS Vita. The main heroine of NEW FANTASY ACTION RPG is not a character from a popular fantasy novel or anime series, such as a fairy tale. She is an ordinary girl who braves the Lands Between to become a fully-fledged Elden Lord. She is capable of designing both her own power and companions, and we are certain that she will become an unforgettable main character with whom players will fall in love with. All of the control settings are handled from the three simple arrows (X, O, and A). The X button is used to move, the O button to attack, and the A button to equip a weapon or use an ability. POWER UP: Experience is gained by winning battles and defeating monsters. The more experience you gain, the stronger the ability of the hero increases, and the higher the level, the more her HP and ability increases as well. COMBO ATTACKS: To attack, simply press the three arrows simultaneously, and you will attack by combining the attack speeds of all three attack methods. ABILITY RECOVERY: By using abilities that are represented by a star on the hero's screen, you can heal the hero's HP and recover ability points. You can acquire additional ability points through the quest. TAKE YOUR TIME: While in battle, you can look at the battlefield and plan your attack strategy. Attacks with different types of weapons, abilities, and items can be linked with certain conditions and unique combinations. Thus, you can link simple attacks to attack at a high speed or to attack repeatedly while another attack is chained. GARDEN: Within the garden, you can work on the collected equipment and characters while constructing items to raise their levels. You can also exchange and combine items with different characteristics. KILLER: The nickname "C

Elden Ring Features Key:

App Collection: Over 20 apps created by GZ and other producers have been bundled. The games are divided into two types: one based on the ACG standard (Console, PC, Mobile) and the other based on the board game standard (Tablet).

- ■ the console (Phantium, Agate, King, Seal)
- ■ the tablet (Phoenix, Bride, Ashen, Vircon

Challenges: Acquire new powers and obtain various items as you play. **Favorforbility** is introduced. Acquire a variety of items and acquire new powers with a single action.
Duel Battle: Battle other players on the scene with other players and take on quests. You can challenge quests of up to two players at a time.
Blackjack: Attack monsters at the cost of Stamina. As your Stamina gets low, blackjack will become increasingly effective.
Bless/Rebless: Use accessory elements and have a variety of accessories fall from the sky. By using accessories, your own stats will differ by accessory, and this will lead to the acquisition of new and powerful properties.
Trades: Trade monsters with other players and receive various items in exchange.
Monument: Acquire a monument through rounds of battle. See the card system in action.
Beacon: Acquire an area of effect ability or improve the attack power of monsters near a landmark. The number of times a landmark can be viewed increases, and monster properties can be changed.

EXCITING GAMEPLAY!

The game manual will be available for download from the title screen.

A game with a unique appeal.

Enjoy this feeling of totally new action rpg game!

THE INTRIGUE OF HIGH SCHOOL. Don't Forget to Come to this Teenage Romance. A High School Teens Love Story. 3 years. 88 days. KOS What's Cooking, KOS!*During the days you are preparing for the exam, you sleep through the night. There's no such thing as a great class.&brbr;Can't you see the road they are going to end up?&brbr;As if there is ever a road for her to end up on. Li Ro, the hero, played by the talented actor Sung Dong Il, was in a 'lost love' period. He was always at the top of the popularity list of his high school.&brbr;He had a top-class school record, and excelled in a variety of areas. However, every day, he suffered in the opinion of the 'cool guys.'&brbr;Atyrocia--- Not a single person but hated him. When her psycho brother died, she passed the Vermilion Arena first.&brbr;Everyone watched his combat record as an indication of his ability.&brbr;She was an heir of the Blood Swords, and it was difficult to deny one of her heritage.&brbr;She competes to get near Li Ro, and end up with only a few seconds away from him. Countless attempts and days—&brbr;everything. Li Ro had not expected this to happen.&brbr;He desired to focus on the exam, and this was the limit of his school life.&br;He lost a bit of time to hear her. While walking on the west side of the campus, a girl with a scary voice and aura appeared in front of him. "KOS".&br;Looking at her, he used his instinct to see the backstory.&br;It seems like she has no interest in what he is. A mouthed-out black sword rushes to Li Ro.&br;KOS had a sword with a design like the Vermilion River.&br;As a sword legend, it was even impossible for a random student to make a matching sword.&br;Look at her—&br;On the other hand, he was still a hostile student towards her, so he was able to quickly take the sword.&br;The sword grip was broken, and
