Welcome to New Fantasy 2018 APK (Android + iOS). Face the enemy! It's a war of blades! Free games! The battle for a new fantasy action RPG began. This RPG game is totally free and does not require an internet connection or registration. It uses unity and does not use ads. The game looks like this, and will be updated regularly. ● First, the battle against the evil Lords will begin. Its aim is to create a new fantasy action RPG in this game world. ● The objectives of the game are to destroy the evil Masters, and protect the Chaos Mage. ● Players will have the opportunity to battle against an unlimited number of opponents. The monster encounters will be leveled, and you can battle with enemies that are stronger than you. ● Each opponent has an innate power called Mana, and each attack requires a certain amount of Mana. The display of the mana and the damage calculation can be modified according to the player's preferences. ● When you are attacked by enemy monsters, you can select the type of magic that you wish to perform and the amount of mana that you want to use on it. You can expect to use this more than once. ● Battles are divided into 3 stages, depending on the level of power that you can attack with. In the first stage, you can attack with limited mana, and in the second stage, can attack with more mana. In the third stage, you can attack freely. However, you will have to pay the cost of mana with each attack, making the risk-reward balance stronger. ● During battles, you can upgrade the magic gauge of your character and other equipment. ● Enemies can also be upgraded and enhanced with gauntlets and equipment. The more mana is required to use the magic attack. ● In the game world, you can explore various dungeons, and you can find various monsters and magical items there. ● In addition to battling, you can also enjoy the game world. Go to the city and go to the various shops and various places. ● You can interact with other users and talk with them by using the chat box. ● Users are able to create their own dungeons to fight the monster they like, and use this as a source of income. However, if you "collude" with other users, you will get a

Anti-war organizations are accusing the United States, after President Donald Trump's announcement he is bombing Syria, of waging "unilateral" actions that will deny the Syrian government any international legitimacy or support. Journalists at NPR, UK's BBC, and other media outlets say they have not found any opposition to the war. Trump's announcement sparked widespread condemnation on social media, with hundreds of people tweeting poems of the US president firing missiles. Trump's announcement is the latest strike in a long-running conflict in Syria, the focus of which has shifted from Syria to a US-Turkey feud over the latter's strategy to destroy the remnants of the so-called Islamic State (IS). Pro-regime activists said that the intense US bombardment will only boost the Syrian "Army," an old ally of Russia and Iran. Syrian TV footage showing Damascus residents welcoming the targeted airstrikes. This came despite earlier claims by the opposition that the US strike will help them to end the war. Activists from the Syrian Democratic Forces (SDF) said the US strike will only benefit IS, the Kurdish fighters, and the Syrian government. Central Damascus is densely populated with thousands of civilians, making the city an especially dangerous location for Israeli missiles to land, especially
