Neerja is directed by Ram Madhvani and produced by Atul Kasbekar. A story of a female air hostess who sacrificed her life to save the lives of the passengers on the Pan Am Flight 73, but instead of giving a tour to the passengers, she stayed back with them to save them from the terrorists. She was then arrested and spent the rest of her life in the jail. Here we can clearly see the difference between patriarchy and feminism. Neerja is based on the real life incident of Maureen Kingsley, a stewardess and later flight attendant who was instrumental in saving the lives of 329 passengers and crew members of Pan Am Flight 73 in New York City in 1986. Maureen Kingsley played by Neerja's Sonam Kapoor on screen, who was born on September 4, 1968, in Shropshire, UK to an army officer and a dance teacher. Sonam Kapoor won the Best Actress International Viewers Choice Award at the Young Artist Awards in 2008. She has been married to Rishi Kapoor since 2002. Synopsis of Neerja Neerja is a 2016 Bollywood thriller film directed and co-produced by Ram Madhvani, produced by Atul Kasbekar and starring Sonam Kapoor. The film is based on the real-life story of Maureen Kingsley, an air hostess who was instrumental in saving the lives of 329 passengers and crew members of Pan Am Flight 73 in New York City in 1986. After the Apollo space shuttle Columbia disaster, the crew of the Columbia survived an emergency evacuation and landed safely. However, the passengers were saved only after Neerja single-handedly took charge of the situation and helped the passengers escape from the flaming aircraft. Kingsley was arrested and spent the rest of her life in prison. While in prison, she received a letter from the senior pilot of the flight (Jamie Smith) and got to know that her call for help had saved the lives of her passengers. This inspired her and she went to jail for life. Film critic Saibal Chatterjee of NDTV termed Neerja as "a model of simplicity and clarity." About Sonam Kapoor, Chatterjee further said that "Sonam Kapoor is her usual self,
