

Camp Buddy Full Game Download [BEST]

Released back in 2018, the visual novel BL / YAOI Camp Buddy is BL's debut project. Camp Buddy! This is a story about two teenagers who meet at a boys' camp. In this story, the protagonist is a boy who has always been in love with a girl who was his best friend's girlfriend. This story is about first love and first love from the first minute of meeting. There is no deep plot in this story, so I decided not to describe every frame of this story, but I will give a description of those frames that will be of particular interest to me. Plot: one. This is the first frame.
