60). Witness the amazing evolution of a genre-defining strategy game that is becoming a next-generation phenomenon, combining classic deep fantasy with ... Anyway, you get the idea. The game has managed to become one of those games that plays in a genre that other companies haven't even thought about. For those unfamiliar with the genre, Blackguards is the same as Might & Magic X Legacy, but with a lower level. It uses the same mechanics as other real-time strategies like Total War: Arena and Warhammer 40,000: Inquisitor - Martyr (and other similar games), but it uses more complex mechanics to play it.
