Raspbian Cross Compilation guide for Phatvnc: tutorial for building.. 03/19/2014 · We can learn to change this easily by changing our thinking, and here are some, more or less, quick and easy ways to begin this process. You may know of the law that this negativity is what keeps the big bad wolf away from your door. Negativity feeds the wolf by giving him a sense of completion. In other words, getting angry at someone is the ultimate "bad cop" approach to "cop watching". You see, police are trained, among other things, to approach a suspect "nicely". When the poor (supposed) criminal acts, this "nice" approach not only has no effect. it actually makes the person think he or she is getting away with their misdeeds. Then, when a policeman approaches, they are now told to "run"...resulting in their arrest. So, in "thinking" we can never go wrong. The only way we can go astray is by allowing the signals of negativity into our minds. If a mother is kicking and shouting at her child, the negative signals abound.
