3. This is fast, intense and active. I like the fact that they are keeping it consistent with the super fast power of TAPOUT XT 1. Mike is working everyone, from the shortest to the tallest, and he is using a variety of tactics for each part of the workout. The goal of Tapout XT is to give you the best workout known to man. To make it easy, our trainers cut through the sales hype and get to the heart of the workouts. When it comes to working out, you need to focus on the strongest muscles possible, and there is no easier way to target the biggest muscle groups. Get past the fluff and get to the truth of the Tapout XT workouts: Theyre brutally effective and only get better with time. Most of the workouts here contain significant amounts of resistance. Your body has only so much power, and then other muscles take over. Tapout XT works to strengthen every muscle in your body, allowing you to build a better, more powerful physique. The more you train, the stronger you become. The weights get heavier, the cardio gets faster, and results stay longer. Tapout XT is serious hard core workout. And no, we dont mean just because it looks like your training at the gym. We mean the raw intensity of the exercises translates to the real world. When you progress, you need to pay attention to technique, diet and the ability to tough out the sessions. But it feels so good when you finally reach the pinnacle and it becomes second nature. From sports media training and marketing, to sports massage and physical therapy, to fitness and personal training, to nutrition and performance-enhancing. Tapout XT has proven impact in all these areas. For years, people have been asking our trainers to create a new series of workout routines that are not only insanely awesome, but are capable of achieving results faster than anything else on the market. In Tapout XT, youll be tough, youll be strong and youll be fit.
