## Windows 8 Release Preview Build 8400 Activator Crack

Yayyyy!!! i hav found a crack for windows 8. and its free of charge. You rock babanature!!! you rock! thank you for this. i appreciated it and i will never forget this. Oh but this is only a Patch for windows 8. and not an Activator. It said on the window 8 crack of the internet that only an activator can activate your windows. So thats what you need to get. Only. Okay. The reason I'm making this a giveaway is because I'm out of all Windows 8 licenses right now. and I want to distribute all of my remaining licenses to the users. I will never make this crack publicly available to the public. its very well to be used in personal use only because I want to make sure that it doesn't become a virus. and if it were to get out there, it will be well worth the money that I've spent on it. so pls contact me on the above email id. I know that many of you are aware of the risks of a crack. and its not just a crack. its a patch as well. and Microsoft has never posted a single activation key for windows 8. and I have no idea how it got here. so we cant blame anyone for this. so pls contact me. or dont contact me. i have no idea where it came from. but I have no problem with it. but to all my windows 8 users, and I am sorry that I cannot share my cracks. but please contact me about my distribution of cracks and if you want a crack. i will share my cracks. and pls dont get mad at me if you cant access it for some reason. I am sending one activator key to the user that contacts me on my email. and i will send the crack to the user who comes in contact. pls contact me on the above email. I have 1000 keys. so theres no use in me sending one of them to one. its very well that i have given all my remaining keys out. and this is the last time im going to do this. and I will never do it again. pls contact me. 5ec8ef588b
