The second rule of 10 min to learn how to teach yourself a new language is that you must start with the nouns and verbs. Once you master these two components you have a foundation for learning the other parts of a language. Robin Sharma 9.

Vocation — A calling in life. What is your vocation? Where do you want to be in ten years? When you look back over the road you have traveled, what do you see? What do you want to be doing in ten years? You will find that the 9. Vocation will help you answer these questions. Robin Sharma Money Pit. The mind is a funny thing. We can do or not do anything with it. We can have it make or not make us happy. We can get to it first or last. We can become addicted to it or not. We can make it work or not. We can make it last or not. And we can make it a robber or not. Robin Sharma 86. When the day comes that you have accomplished your goal, something amazing will happen. In that moment, just like the sun emerging from behind a cloud, you will see a new, clear-eyed view of your world. You will find that you have transcended the limits of being human, and entered a new existence. Now, everything you have done will make sense. The difficult part is over. You will suddenly feel that all the little things that stopped you from being successful are no longer valid. Now, you understand why they did not work, so you are able to correct them. You see all you have accomplished through a broader perspective, and can now see exactly how far you have come. You have become more focused, but also wider and more forgiving.

You are ready for new challenges. Robin Sharma
