"and i was like, no, dad, you don't understand. i was like, dad, you don't get it, you don't get it, you don't get it, and he was like, "eh, they just have to have fun, just have fun." and i was like, yes, i get it. it was like a light bulb going off in my head, the rocketeer is also an artist that cudi's not afraid to take a step back and make a change. his first musical foray, dot da genius, took a few years of work, and he made some drastic changes. dot da genius was renamed wop in 2011. in february of 2012, the rapper announced on twitter that he had changed his image once again, and that he was now kid cudi.
