Drive the 22 km long, metro-operated route between Dortmund main station and Höflein am Main (subway station, or, if you like, the station «Höflein am Main»). Explore the metro, the district of Dortmunder Land and the Dortmunder Land Railway. OMSI 2 has been pre-loaded with a customised map of Dortmunder Land, so you can explore Dortmunder Land as a part of the whole of Germany. You can start at the next station or the central market of Höflein am Main, where the Metro Dortmunder Land begins. It is designed for commuters and tourists. Not everyone knows the amazing restaurants, but they are definitely worth it.
