In the episode Krabby Patties, Bubble Bass is revealed to be a food critic. It is also revealed that SpongeBob had made Krabby Patties for him once, so he blames the food for having an un-healthy structure, claiming that it is very unsafe. In the episode Karate Kid, Bubble Bass is revealed to be a champion of the secret villain division of the Karate Kid tournament, where the villains compete. He is always hurling insults at his opponents in the hope of humiliating them, but it seems to have no effect. In the episode SpongeBob's Atlantis, Bubble Bass appears as an antagonist, along with Professor Pimm and Anemone. When the Krusty Krab is converted into a shopping mall by a mad scientist named Mall Face, it attracts more villains from all of Bikini Bottom. These villains (Bubble Bass included) are divided into two groups: one that agrees with the mad scientist's plans, and the other that wishes that Bikini Bottom would remain the way it is now. Plankton often uses Bubble Bass as a comedic tool, especially on the occasional occasions in which Plankton and Bubble Bass are involved in something together. In that, Plankton usually has an overarching plan or objective for the sake of a character, and he has ways of making people believe that the plan is actually for his own benefit. For instance, Plankton talks about the skitter-on-the-floor look in his hair, which fools people. On another occasion, Plankton was trying to capture someone and he had Bubble Bass as his hostage, planning to force him to

work for him. SpongeBob accidentally slipped and fell from his perch onto the stage, and Plankton had his melon fall into the audience, and simultaneously pull Bubble Bass onto the stage; Plankton then had Bubble Bass crawl around the stage to pick it up. The ladder Plankton was going to use to get to the rigging of the stage was conveniently long enough for Bubble Bass to climb on, and he was to then return with the melon to Plankton. However, SpongeBob's arrival cut short the plan as he broke Plankton's melon, making it impossible to get the melon to Plankton. Plankton then instead proposed a plan for SpongeBob to rescue Bubble Bass, and Plankton then explained how he planned to do so, but SpongeBob instead suggested a new plan, in which SpongeBob and Plankton pretended to kidnap each other so that Bubble Bass would be left free. Bubble Bass was actually just being used as a pawn. And at the episode's end, Plankton and Bubble Bass are seen together, smiling and celebrating their imprisonment.

In Plankton's Vegas Adventure, Bubble Bass, along with his other infamous cohorts, Dr. Octavius Phonics, Judge Bill, and Squidward, are seen appearing to have trouble at The Krusty Krab and are sentenced to death by Mr. Krabs, thus causing them to be exiled to Las Vegas. Out there, they discover the

origins of SpongeBob's secret identity and they immediately start to think that the truth about Krabby Patties is among the countless items that can be found throughout the city. Despite their attempts to simply steal Krabby Patties, Bubble Bass decides that they should form the Plankton Acquisition Inc. to track down and retrieve all Krabby Patties around the city. To collect all the Krabby Patties in one place, they placed a photo of Plankton in the middle of a twenty-five-acre gas station parking lot. Bikini Bottom's highly varied populace of citizens soon show up, trying to sneak a piece of Krabby Patties. Bubble Bass, with a massive glove, furiously manhandled and beat nearly everyone that came near him. Plankton (under the Krabby Patty-induced eye) was beaten up by Bubble Bass, who immediately showed his displeasure at the position that Plankton had placed himself in. The attack ended soon after, when an officer showed up and pulled Bubble Bass off Plankton and SpongeBob. In Krabby Patty Secret Fortress, Bubble Bass was shown unable to understand the underlying idea of the Krabby Patty Secret Fortress while Plankton and SpongeBob searched for a key to open a secret door. The plucky couple later opened the door and discovered that they were in a gigantic room filled with lockers containing Krabby Patties. Bubble Bass eagerly jumped in one of the lockers and placed the key inside. SpongeBob and Plankton couldn't find the locker that contained the key, so the two hopefuls walked the labyrinth

of lockers to try and open another locker and get the key. Bubble Bass followed them everywhere and began begging for a key to open the locker he'd been in. However, when Plankton and SpongeBob finally got back to the locker that Bubble Bass was in, he was nowhere to be seen, but SpongeBob found a note reading: 5ec8ef588b
