## Zatch Bell Movie 2 Download **BEST**

zatch was created by makoto raiku during her time working at sun comics. the initial design included zatch as a boy with a mole on his face. raiku was told to design zatch as a young woman, and the artist drew a "mole-less" zatch. the first of many changes the artist made to the character was that zatch was given long hair, something she felt the mole covering his face was suppressing. after the first draft of zatch's background was completed, raiku asked that she put on zatch's hat, which turned out to be easy. she told raiku that zatch was just a joke and raiku later said she liked zatch as she felt "he was a bit different". the second draft was then drawn, with zatch having a cat's face. after this version was rejected, the artist scratched out zatch's face and added whiskers. the third draft was brought about by kow otani's desire to create a mamodo main character. the fourth draft was one that otani "revisited," with zatch having a short pigtail. the japanese version of zatch bell! has a small difference between the english and japanese versions, in that zofis appears much more frequently in the japanese version, especially the anime. he is much more antagonistic in the anime, and even appears to be more villainous than his english counterpart. many of the enemies that he creates are much more female than their english counterparts. also, kiyo takamine appears more frequently in the japanese anime, as she is the star of the show. by the end of the anime, she had completely converted into a mamodo, and was only fighting in order to save herself. her name was spelled as "neko-takamine". in the japanese version, a mamodo battle is a close battle between the mamodos.

## Zatch Bell Movie 2 Download

ryokan ryokan is a swindler who was once an associate of zatch bell's. when working as a bodyguard for zatch, he eventually decided to use his evil schemes for himself. although he sometimes acted like a friend of zatch's, ryokan was out for himself and never really cared for anything other than money. ryokan attempted to steal zatch's memories to force him into working for him, but he failed to defeat zatch and was caught by zatch. after undergoing training with zatch, ryokan was able to control time and travel through dimensions, allowing him to disappear from time for long periods of time. with his power, ryokan travels to many different dimensions to steal power, money, and other items from different timelines. in one instance, ryokan took a part of zatch bell's heart with his skills to open a bridge to a world where zatch and zatch's mother were still alive. ryokan's first and only appearance in the series is when he appears in the present and tricks zatch into surrendering his valuable property. from there on, ryokan disappears into the past where he plans to stay as zatch is being chased by mamodo zofis. dragon dragon is an alien creature who was born in the mamodo world. he was confused after arriving in the human world and was overwhelmed by the information that was continually bombarding him. however, he eventually found a friend in zatch, whom he treats as a big brother. dragon's powers include having fantastic vision and the ability to fly. he slowly becomes close friends with zatch and eventually befriends zatch's sister, suzy. dragon is often unable to control his new powers and accidentally gets involved in zatch's fight against zofis and his army of mamodos. in the episode "save zatch!," dragon is temporarily given the ability to control his abilities and has control over his vision. he uses this power to rescue zatch. 5ec8ef588b
